

ANNUAL REPORT OF THE  
Selectmen and other Town Officers

YEAR ENDING FEBRUARY 15, 1914

# IN TOWN AFFAIRS

It is important to get honest value for every dollar expended. It is equally important to do so in private affairs.

As clothing is something that everyone is obliged to buy more or less of, it is of the utmost importance that they get an honest dollar's worth for a dollar, when buying clothes. If we don't give you full values we want to know about it.

## Report of Library Committee

A good degree of interest has been manifested in the library during the past year. 1,807 volumes have been loaned during that time.

Our faithful and efficient librarian, Mrs. Emma A. Maxfield, who was also a member of this committee, was removed from us by death last October, to our deep regret and sorrow. During Mrs. Maxfield's illness and since her death, Mrs. Leona Whipple has very ably and kindly served as librarian, to the entire satisfaction, as we believe, of all concerned.

We are grateful to Mr. George Wheeler of Newport, for a copy of the History of Newport, which he has kindly presented to the library. Our thanks are also due Mrs. A. P. Carll of Plymouth, Mass., for Everybodys' Magazine during the past year, and the assurance that it will be continued during the present year, with the addition of Good Housekeeping each month, which we feel sure will be gratefully appreciated by our readers.
